

ADULT EDUCATION
 LEGISLATIVE RECEPTION
 HALL OF FLAGS
 AUGUSTA
 TUESDAY, MARCH 25, 2003
 9:30 AM – 1:30 PM

Let the voice of adult education be heard in the halls of the legislature!

Once again, MAEA is sponsoring a legislative reception in the Hall of Flags. The purpose of this display is to educate members of the legislature and their staff about the important work that is going on in adult education. It is also an opportunity for individual programs to make that vital face-to-face connection with their area representatives. With so many new members of the legislature and with critical budget times ahead, it is more important than ever that we have excellent participation from the field. We will send all legislators an invitation to the event.

We will provide tables for your displays, morning coffee and a light lunch. We ask you to provide banners, display items, handouts, photos, a/v presentations and enthusiastic people to “meet and greet.” We hope to have good geographic representation, so we suggest that each alliance ensure that at least one of their programs participate. In addition to individual program displays, we also hope to have several displays representing the various aspects of adult education: corrections education, family literacy, etc.

To reserve your table by **February 28**, please return the reservation form to:
